Patent Medicines.

Innow offered to the afflicted throughout the com-try, after having been proved by the test of slave years, in the New England States, where its meri-have become a well known as the tree from which, part, it derives its virtues. THE WHITE PINE COMPOUND

The White Pine Compound.

"It was early in the spring of '52 that this compound was originated. A member of my family was smilled with an irritation of the threat attended with a disagreeable cough. I had for some morths previous thought that a preparation baving for its beast the inside bark of white pine might be so compounded as to be very useful in diseases of the threat and lungs. To test the value of it in the case slinded is, I sompounded a small quantity of the medicine that I had been planning, and gars it in tespoonthideeses. The result was exceedingly gratifying. Within two days the irritation of the threat was removed, the cough subsided, and a speedy cure was effected. See after this I sent to a lady in Londenderry, H. H., who had been suffering for some weeks from a bad cough, occasioned by a sudden cold, and had raised muchs atreaked with blood. Ble soon found relief and sent for more. She took about ten ounces of it, a got well. J. B. Clarke, Ken, editor of the Hasole set Daily Mirrer, made a triel of the same preparation i the case of a severe cold and was cared immediated He was so highly pleased with the results, and so condent in success attenting its raise, if placed before public, that he finally persuaded me to give it name, and sendit abroad to benefit the unferting. I November, 1856, I farst advertised it under the nam of White Pine Compound. In two years from that time there had been wholealed in Manchester also one hundred dollars worth, where it took the lead all the cough remedies in the market, and it stimulatins that position. There is good reason fo this; it is very soothing and healing in its nature, i warming to the stomech, and pleasant withal to the taste, and is occeedingly cheap.

As a remedy for hidney complaints the White Pine ORGANS & MELODEONS WHOLESALE & RETAIL

As a remedy for kidney complaints the White Pine Compound stands unrivaled. It was not originated for that purpose; but a person in using it for a cough was not only cured of the cough, but was also cured of a kidney difficulty of ten years' standing. Since that socidental discovery many thousands have used it for the same complaint, and have been completely cured." les favorite with us, and having dealt largely to this beautiful instrument for many years, we take great pleasure in recommending it to our patrons, and with an assortment from over 20 other good. New York and Boston makers, we have unequaled advantages in the West.
